Any payments received after that date will go first toward the late payment and then toward tuition. Policy also states that if your tuition becomes more than 90 days past due, your tuition must be paid in full or your child/children may be dismissed from OHA. It is also understood and agreed that if tuition payment is delinquent that student(s) may not participate in any extra-curricular activities including, but not limited to all sports, cheerleading, beauty revue, plays, and/or drama, clubs, organizations, or any other school sponsored activities.
