 Katie Ballard, Assistant Elementary Principal
 Frances Dawkins, Counselor
 Stephanie Stroud, Counselor

**OAK HILL
 ACADEMY**

PERSONS WITH COVID-19:

Stay at home and isolate for at least 7 days, regardless of vaccination status, since symptoms began or since date of positive test if you do not have symptoms. (Day of test or first day of symptoms is considered to be Day 0.)

You must be fever free for 24 hours without the use of fever-reducing medication and your symptoms are improving to return to school. A negative test is not required to return to school. Masks are recommended upon return to school for 10 days since symptoms began or date of positive test. We will accept these options for isolated cases to return to campus.

Option 1:

Day 0	Day of Test or 1 st Day of Symptoms	
Days 1-7	Isolation Days	
Day 8	Return to School	

Option 2: Doctor's Return to School Notes

Option 3: CDC Guidelines:

- 5 Days of Isolation plus 5 days Masks. Day 0 is first date of symptoms or date of test if no symptoms.
Please note: we do not recommend this because of monitoring.

COVID-19 – Close Contact

Option 1:

- Our policy guidelines state you must quarantine for 10 days.

Option 2:

- Exposed individuals may test on the 5th day, after the last exposure with the COVID individual. If a negative test is received and no symptoms incurred, then the individual may return to campus on the 6th day (or the first school day thereafter).

Day 0	Last Day of Exposure	
Days 1-5	Quarantine	
Day 6	Return to School Negative Test/No Symptoms	

Option 3:

- Anyone that has been boosted or received their shots within the 6 month or 2 month periods respectively, does not have to quarantine, but the CDC requires individuals to wear a tight fitting mask for 10 days.
Please note: we do not recommend this because of monitoring.

Please note: If you choose to be tested on the 5th day, by a physician or pharmacist, please email a copy of the negative results to oharaiders@oakhillstaff.com or bring a copy upon your return to campus on the 6th day as our documentation that you are clear to return to campus.
